ABOUT THIS PROPERTY

Modern, refined, and beautifully updated, this two-story, three-bedroom residence on Pine Tree Drive blends architectural calm with a warm welcoming aesthetic. Set on a corner lot with dual frontage, the property is fully enclosed by a solid concrete perimeter wall and gated entry, offering exceptional privacy, security and a sense of scale rarely found in dry-lot Miami Beach homes. All exterior elements have been thoughtfully redesigned, including new landscape, hardscape, architectural lighting, and gated entry, creating a composed and serene arrival experience. Inside, bright interiors are highlighted by white beamed ceilings, open living areas, and a clean architectural aesthetic. The upstairs primary suite offers elevated privacy, treetop views, and separation from social spaces, while two additional bedrooms downstairs provide flexibility for guests or office use. The property offers an unusually expansive outdoor environment made possible by its corner-lot setting. Three distinct garden areas—including a front garden, a rear garden with pool, and a private side garden—create a layered sense of openness, light and privacy rarely achievable on mid-block properties. Thoughtfully designed exterior circulation and perimeter walls transform the residence into a true private compound. Ideally located in prime Miami Beach, close to temples, schools, beaches and walkable neighborhood amenities, this is a private and elegant residence defined by design, serenity, and discretion.
