ABOUT THIS PROPERTY

Welcome to this beautiful residence in the highly sought-after Falls neighborhood. A charming porte-cochère welcomes you, and a custom railing inside the foyer adds a touch of elegance as you step into the formal living and dining rooms. This split-floor-plan home features 5 bedrooms & 3.5 baths, including a bedroom currently used as an office plus a flex room. The home has full impact windows and doors throughout. The updated primary bathroom includes a large spa tub perfect for relaxing. Living spaces are bright and airy. A very convenient utility/storage room adds everyday practicality. Natural lighting fills the home, creating a warm and inviting atmosphere. An extra-large pool and private backyard. Heated salt-water pool. Located on a quiet street and in a No Flood Zone, this property is a true gem.
