ABOUT THIS PROPERTY

Situated on a unique 8,125 SF oversized lot, this modern 6-bedroom, 5-bathroom residence plus powder room offers an uncommon feature that enhances both privacy and curb appeal: no direct front neighbor. The home features 6 bedrooms, including 4 en-suite, plus 2 additional bedrooms connected by a Jack & Jill bathroom, of which 2 are en-suite. Marble flooring on the main level and hardwood floors upstairs add warmth and contrast to the clean, modern design. Large windows provide an indoor-outdoor living experience. Electric blinds throughout provide convenience and effortless control of natural light. Located just a few steps from one of Key Biscayne's top-rated schools, this property offers scale, design, and a highly desirable location rarely found in Key Biscayne.
