## ABOUT THIS PROPERTY

---

On a vast, park-like half-acre-plus property, this venerable, classic "Old Spanish" style villa—designed by Alexander H. H. Post—is in perfect harmony with its recent professional updating. There is a main two-story residence and a lavish 2-bedroom, two-bath guest house. The kitchen features a five-burner Viking gas range and brand-new Sub-zero refrigerator, new 37' long pool, new landscaping and more. The property is a fine example of the aesthetic identity of Coral Gables, Florida. He was a master of the Mediterranean Revival style, often collaborating with other architects on recognizable structures in South Florida, many of which are listed on the National Register of Historic Places including the Douglas Entrance. This walled and gated close to 5000 square foot home has 6 bedrooms and 4.5 baths and is located just minutes from Miami International Airport.
