## ABOUT THIS PROPERTY

---

Crestpoint Estate represents a rare convergence of architecture, resort-scale amenity and artistic vision, privately set on 100,000 square feet, the residence offers 7 bedrooms and 8.5 bathrooms, defined by a refined palette of oolite stone, cumaru wood, and a grand foyer anchored by a sculptural walnut floating staircase. Natural light defines the interiors, highlighted by a signature architectural detail in indoor and outdoor living. The Fendi-designed kitchen overlooks the expansive grounds, while the formal living and dining area features a granite waterfall as a striking focal point alongside a sunken fire lounge, Sukabumi stone pool, putting green, and custom furniture for entertaining and everyday living.
