ABOUT THIS PROPERTY

Designed by DNB Design Group and built by Avenue 04, this modern masterpiece is due for delivery in July 2025. This 3 bedroom, 5.2 bathroom home is ideally located in Miami's favorite neighborhood, Coconut Grove! The flexible floor plan includes a large open-concept living and dining area with floor-to-ceiling windows and doors, a chef's kitchen with high-end stainless steel appliances, and a large breakfast room. The 2nd floor primary suite includes 2 walk-in closets, a spa-like bathroom, and a private terrace with stairs leading down to the ground floor. The home also features a large sunroom, a guest suite, and a study. The exterior features a covered terrace, a large swimming pool, a sun deck, and a covered parking area. The interior features large-format porcelain tile and wood floors, high ceilings, and recessed lighting. The kitchen features a large island, a built-in oven, and a built-in microwave. The primary bathroom features a soaking tub, a separate shower, and a walk-in closet. The guest suite features a king-size bed, a built-in closet, and a full bathroom. The study features a built-in desk and a built-in bookshelf. The sunroom features a large window and a built-in sofa. The exterior features a covered terrace, a large swimming pool, a sun deck, and a covered parking area. The interior features large-format porcelain tile and wood floors, high ceilings, and recessed lighting.
