ABOUT THIS PROPERTY

Masterfully designed by SDH_Studio, developed by Groupe Dayan & built by Treo Construction in 2025, this architectural masterpiece combines modern elegance, where sculpted architecture plays with light and shadow. Soaring ceilings, a striking floating staircase, and custom accents elevate the interiors, notably in the kitchen, where a stunning island is paired with top-tier appliances. Custom features include a heated pool, outdoor kitchen, and 78 ft of waterfront with a new private dock.
