ABOUT THIS PROPERTY

Built in 2019 by a contractor. This beautiful 4,500+ SQFT, 4-BD, 5-BA home sits on a sizable 18k+ SF lot. The residence features a large open-concept floor plan with a spacious living room, dining room, and kitchen. The kitchen is equipped with high-end stainless-steel appliances, including a built-in oven, a large refrigerator, and a built-in island that serves as a double-duty seating area. The dining room is adjacent to the kitchen, providing a large space for entertaining. The living room is a bright and airy space with a large window overlooking the backyard. The home also features a large master bedroom with a walk-in closet and a master bathroom. There are three additional bedrooms, each with its own bathroom. The home is located in a quiet neighborhood with a large lot, perfect for outdoor activities. The exterior of the home is made of high-quality materials, including a stone foundation and a wood-style exterior. The interior is also well-furnished, with a mix of modern and traditional elements. The home is pre-wired for security cameras and surround sound, making it a truly modern and convenient living space.
