## ABOUT THIS PROPERTY

---

This apartment has been beautifully renovated. Unit #1G is a spacious 2 bedroom 2 bathroom condo with approximately 1,200 square feet. The unit has been tastefully decorated utilizing a neutral palette that would be appealing to most (all this home needs is art decor and accessories to add personal touches). It looks like brand new construction! This modern and open concept floor-plan affords a young family the space they require for a growing family. The unit features a large living room with a fireplace, a dining room, a kitchen with stainless steel appliances, and a large balcony. The bedrooms are spacious and the bathrooms are well-appointed. This is a great opportunity to own a high-quality, modern apartment in a great location.
