ABOUT THIS PROPERTY

Welcome to Residence 402 at Arte, where architectural significance meets oceanfront serenity. Created by the renowned architect, Residence 402 is one of the most significant boutique buildings in the United States. With only sixteen oceanfront homes, its sculptural travertine form and minimalist design capture the purest expression of Arte's philosophy: a 4-bedroom, 4.5-bath residence spanning 5,180 square feet. Biometric access opens to refined interiors featuring AXOR Citterio fixtures, Gaggenau appliances, honed travertine, and custom millwork. The residence is a space and sets the stage for sunrises over the Atlantic, with natural light and symmetry shaping every room into a serene environment. Amenities for residents: rooftop tennis, a heated indoor lap pool, an expansive outdoor pool, and private beach access with white-sand beaches. A residence of this caliber is not merely lived in, it's collected.
