ABOUT THIS PROPERTY

Situated on a prime corner lot along one of Coral Gables' most picturesque, tree-lined streets, this distinguished 5-bedroom, 5.5-bath residence offers a unique blend of architectural elegance and modern convenience. The home's original 1920s design has been tastefully updated with a sophisticated color palette and high-end finishes. The interior features a bright and airy layout with high ceilings, large windows, and a central atrium that provides natural light and a sense of openness. The kitchen is a chef's dream, equipped with top-of-the-line stainless steel appliances, a large island, and ample storage. The main living area is a spacious great room with a fireplace and a wall of glass doors that lead to a private patio and pool area. The upper level includes a large master suite with a walk-in closet and a ensuite bathroom, along with three additional bedrooms and two full bathrooms. The lower level features a fourth bedroom, a full bathroom, and a large family room with a fireplace. The property is surrounded by mature trees and offers a private, peaceful setting. The location is ideal, with easy access to the beach, Biscayne Bay, and the city's many amenities. This is a rare opportunity to own a piece of history in one of the most desirable neighborhoods in Miami.
