ABOUT THIS PROPERTY

A rare opportunity to own a newly completed modern estate in the heart of prestigious Pinecrest. Set on a quiet, tree craftsmanship. Walking above the reflection pond entrance feature, taking in the striking facade and through the doors, the interiors are flooded with natural light and create a seamless connection between expansive living spaces and the outdoors. The primary suite is a true retreat with a lavish bathroom, oversized custom closets, an oversized island, and walk-in pantry, opening to sophisticated family and dining areas. Designed for indoor-outdoor living, the estate features a summer kitchen, and lush landscaping—your own private oasis. Additional highlights include a dramatic skeleton staircase, a two-story great room, and a two-story sunroom. This is not just a home—it is a statement.
