ABOUT THIS PROPERTY

PH5304 at Flatiron Brickell is a rare trophy sky residence conceived by visionary developer Ugo Colombo, architect Massimo Losa Ghini. Spanning 2,418 square feet of impeccably curated interiors, this exceptional home captures sky skyline views with breathtaking sunsets as its daily backdrop. Originally designed as a four-bedroom layout, the residence transformed into three expansive bedroom suites, 4.5 baths, and a private den. The removal of the fourth bedroom created a living space of impressive scale—enhancing natural light and flow—while preserving the option to restore the fourth bedroom. Impact glass and soaring 9-foot ceilings flood the home with light, complemented by bespoke custom closets, elegant state-of-the-art Italian kitchen designed for elevated entertaining. Residents enjoy one of the most impressive amenity sky-level pool with panoramic views, spa and steam rooms, lap pool, state-of-the-art fitness center, yoga and Pilates theater, 24-hour doorman, and concierge service—delivering a true five-star lifestyle. Offered fully furnished and in owner, this turnkey penthouse includes two assigned parking spaces plus valet, just steps from Brickell City Centre at Brickell.
