ABOUT THIS PROPERTY

There are homes you enter & then there are homes that transport you. Behind the gates of Sunrise Harbour, a quiet Cascading koi ponds ripple gently beside a stone entry, framed by lush palms, exotic species, & layered foliage swarms. Warm woods, sculptural stone, & walls of glass dissolve the boundary between indoors & out. Understated yet powerful. Sunlight dances across textured surfaces by day, while evenings glow with an intimate warmth. Living spaces open & embrace. The Den welcomes your guests and family with the primary as the true showstopper. Below a full-scale lower-level basement within Sunrise Harbour, one of the most prized yachting enclaves. Here, your vessel rests just moments from Biscayne nature, & lifestyle come together. A true expression of tropical modern luxury.
