ABOUT THIS PROPERTY

Tucked into one of Miami Lakes' most lush, tree-lined communities, this 2-bedroom, 2-bath townhouse at 16341 Woodloch is a true gem. The seamless indoor-outdoor connection to the outdoors—every room in the home opens to a private, fenced patio, creating a seamless indoor-outdoor living experience that just feels easy to live in. Inside, vaulted ceilings with exposed beams add character and volume to the main living area, primary suite and well-proportioned living spaces. This is a lot & block townhouse—not a condo, which means more space, more privacy, and more convenience. While parking for up to three vehicles directly in front of the unit adds everyday convenience, the location is just minutes from the city without sacrificing access. It's a home that offers flexibility today—and holds its value for what comes next.
