ABOUT THIS PROPERTY

Some homes are just lived in. This one was considered. Owned and curated by a creative director and photographer, this renovated two-story townhouse at Brickell Forest is a study in restraint and light; minimal by intention, beautiful by design. Clean lines, thoughtful finishes, and an effortless calm that feels worlds away from the city, even though you're steps from downtown Brickell. The corner position delivers an abundance of natural light that pours through at every hour. At 2 beds / 2.5 baths, it flows with an open, airy sensibility, two private bedrooms upstairs, living spaces below that breathe. Every detail has nothing to do but move in and enjoy. Set within a lush, gated pet-friendly community with a genuine neighborhood feel, security, pool, and tennis courts. In-unit washer/dryer, garage parking, and new hurricane shutters complete the picture. This property is currently rented in a month-to-month basis.
