ABOUT THIS PROPERTY

Welcome to Villa Mariola, located in Coral Gables, a beautifully reimagined 1940 residence showcasing Streamline Moderne architecture. Lush subtropical landscaping frames a commanding backdrop, the Biltmore's iconic tower rising above the golf course. Expansive doors and windows oriented toward the Biltmore, capturing its morning light and evening glow from through the glass. The interior features high-quality materials with modern enhancements for today's living. The floor plan unfolds as a sequence of framed vistas, with rich finishes and thoughtful details. Outdoor living is equally compelling, with a resort-style setting that balances leisure and perspective, a pool positioned for optimal views, and wrap-around verandas across the fairway. Villa Mariola is a rare dialogue between past and present, honoring one of Florida's most iconic architectural legacies.
