## ABOUT THIS PROPERTY

---

Perched atop Williams Island, this extraordinary double penthouse at 7000 Island Blvd is a true architectural statement uniting two residences (8,030 SF of interior + 2,470 SF of terraces, as per floor plans) into one unrivaled waterfront skyline. Designed for both grand entertaining and intimate living, and ideal for large or multigenerational families, this home features 5 bedrooms, 5 bathrooms, and 2 powder rooms. The showstopping 2,000 SF primary suite is a private retreat unto itself—complete with a walk-in closet and private terrace overlooking the sea. At the heart of the home, a spectacular chef's kitchen is illuminated by a dramatic skylight, showcasing custom cabinetry—perfectly blending form and function. Expansive living and dining areas flow effortlessly onto multiple terraces. Residents enjoy access to the unparalleled lifestyle of Williams Island Club, including a private marina, world-class spa, and access to Aventura's most prestigious and coveted addresses.
