## ABOUT THIS PROPERTY

---

No HOA and room to grow. This well-maintained 3-bedroom, 2-bath single-family home offers 1,514 sq ft of single-story living space throughout, a bright and functional layout, and updated bathrooms. Major improvements include a 2017 roof, a 2021 kitchen, and a finished basement offers excellent potential to expand the home or create a future in-law suite or flexible living space (buyer to verify). Large windows provide natural light and workspace options. With no HOA restrictions, buyers enjoy added flexibility for parking, outdoor enhancements, or pet-friendly. Seller is willing to consider contributing toward buyer closing costs and prepaids. A rare opportunity to own a home with so much potential.
