ABOUT THIS PROPERTY

Beautifully updated and highly versatile, this single-family home offers 2,120 sq ft of living space on a 7,650 sq ft lot, having been converted into a secondary primary suite. Easily convert the layout back to a full 4/3 if desired. The home is priced below the appraisal. The home features numerous recent upgrades, including impact windows and doors, a newer 2020 roof, and tile floors were redone during the same period. The spacious primary suite includes walk-in closet and a private bathroom. The property features a white picket fence, a covered patio, a full-size pig roasting oven, and a storage shed. Additional features include a large utility room and a large front porch. This home is perfect for investors, multigenerational families, or buyers seeking flexible living and income potential.
