## ABOUT THIS PROPERTY

---

Tucked behind a private gate on a quiet Coconut Grove street, this 2022 contemporary townhome delivers architectural perfection. Full bathrooms, it's all about the Grove lifestyle. Inside, the natural light-filled open floor plan is framed by floor-to-ceiling windows. This home features Italian Pedini cabinetry, Bosch stainless appliances, quartz counters, and a host-ready layout (or the perfect for entertaining). Dual-zone A/C, Tesla Charger in garage, and spa-inspired baths add "new construction done right" elements. Each bedroom has a private balcony, a heated pool that's unusually generous for the area, tall lush tropical landscaping for privacy, and a covered outdoor kitchen perfect for entertaining on weekends. A full cabana bathroom is positioned for effortless pool-to-living convenience. Guests stay comfortably in Coconut Grove: minutes to CocoWalk's shops and dining, close to Dinner Key Marina, and near Peacock Park for that chill beachside atmosphere. Welcome Home! This is Luxury Coconut Grove living, natural light, and a backyard that feels like a private resort.
