ABOUT THIS PROPERTY

Welcome to 1230 101st Street, the only new construction home currently available in Bay Harbor Islands. Designed in modern minimalism. The home spans nearly 8,500 total square feet, featuring a striking exterior of sandblasted Venetian millwork package, minimalist and durable flooring on the first floor and elegant wood flooring throughout the second floor. The primary suite serves as a serene retreat highlighted by book-matched natural stone. Designed for a seamless indoor-outdoor living experience, an elevator and laundry rooms on both floors, this is a rare opportunity to own a custom, architecturally significant home.
