ABOUT THIS PROPERTY

2413 NW 66th St is a strategic purchase in Miami's evolving Liberty City corridor, an area positioned for continued growth and development. The property is centrally located just 10-15 minutes from Miami International Airport and within walking distance to Downtown Miami, Wynwood, the Design District, and major employment centers. What makes this location compelling is its proximity to 27th Avenue and nearby Metrorail stations, where transit-oriented development is bringing new residential, mixed-use, and commercial projects, driving demand while values in the immediate area remain more attainable compared to surrounding neighborhoods. Upside, this home offers a balanced opportunity, whether as a primary residence, investment property, or future holdout as a neighborhood where location, connectivity, and redevelopment intersect, making this a well-timed purchase.
