ABOUT THIS PROPERTY

2300 Sunset Drive is a tropical modern six-bedroom, eight-bathroom home on Sunset Island 3 in Miami Beach — on a 13,500-square-foot lot, this move-in ready residence blends clean architecture with warm, organic finishes and effort-free true spa feel. White oak floors run throughout, and the chef's kitchen is equipped with premium Miele appliances. The home is reminiscent of Aman or Four Seasons. The pool wraps around the house, creating a dramatic, resort-style setting that completes the outdoor experience. With so many indoor and outdoor spaces surrounded by water and glass, the home means peace of mind — while still being right in the center of Miami Beach. It feels like your own private tropical island.
