This freestanding luxury property features two side-by-side, three-story homes each with a private pool & rooftop terrace. Each residence offers 4 bedrooms & 4.5 bathrooms, seamlessly blending the scale of a single-family home with the sophistication of a modern, design-forward build. The first level is dedicated to entertaining, highlighted by 22-foot ceilings, an expansive lounge & direct access to a private ground-floor pool. The second level unveils an open-concept living & dining space centered around a chef's kitchen featuring custom European cabinetry, an oversized eat-in island, and Fisher & Paykel appliances. A seamless blend of light and scale defines the interiors, with floor-to-ceiling windows and soaring ceilings throughout, complemented by bespoke finishes and custom-designed doors that elevate every space. The third level is anchored by the primary suite thoughtfully appointed with a spa-inspired bath featuring a two-person shower, soaking tub and an expansive custom walk-in closet. Two additional bedrooms, each with en-suite baths and tailored closet systems, complete the upper level.
