ABOUT THIS PROPERTY

Set on an expansive 34,848 SF lot, this beautifully renovated and fully gated 4 bed 2 bath home offers a rare sense of privacy. The home features large windows and doors, upgraded flooring, custom closets and a multi-use 2 car garage. The chef's kitchen is equipped with a reverse osmosis system. Outdoor living shines with a heated pool, and jacuzzi, screened lanai, covered patio, and outdoor kitchen. The property is surrounded by tropical trees—lychee, avocado, two mango trees, star fruit, and banana trees, creating a true backyard oasis. Plenty of room for a pool house. This home enjoys a peaceful setting providing the kind of breathing room that's increasingly hard to find, while still being in a prime location.
