ABOUT THIS PROPERTY

A rare opportunity is unfolding at 829 4th Street—a boutique collection of only four full-floor residences in one of Miami's most sought-after neighborhoods. Enjoy beach walks, dinners at world-class restaurants, and a neighborhood that feels both connected and private. Milano E offers nearly 2,000 sq. ft. of refined living with direct elevator entry, floor-to-ceiling views, and interiors designed under the guidance of a renowned architect. Two floors can be combined into an extraordinary 4,000 sq. ft. penthouse—a one-of-one home in the sky. Rooftop terrace is fully equipped and crafted for effortless hosting. Opportunities in South of Fifth with this level of exclusivity are extremely limited.
