ABOUT THIS PROPERTY

You have to come see this place—it is honestly massive, and the best part? NO Homeowners Association; you have a pool which looks incredible with the porcelain floors running throughout the first floor. There's a full bedroom downstairs in the back yard which may look small but a pool can be added and the side can fit a boat or RV. The upstairs primary suite is the real deal with a private balcony where you can sit outside and read a book or just find peace! Down the hall, three comfortable bedrooms, a dedicated laundry room just makes life so much easier! And, since there's an undeveloped preserve right in front, you're close to schools (G Holmes Braddock has a Cambridge program), restaurants, and shopping, so you're never far from anything.
