ABOUT THIS PROPERTY

Not your typical condo—this is Nirvana with soul. A north-facing 2BD/2BA retreat where architecture meets atmosphere feels more like an artist's loft than a standard residence. Step outside and you're immersed in a canopy of mature oak trees. More expressive, less over-designed aesthetic—clean tile floors, two full bathrooms, and a layout that invites personalization. Amenities include paddleboard storage, sauna, fitness center, and a neighborhood market—all within a guard-gated tropical enclave in a sought-after location. Perfect for the buyer who wants feeling over formula.
