ABOUT THIS PROPERTY

Built in 1926 by George Fink, one of the founders of Coral Gables, this exceptional historic residence is a true Coral Gables gem. After more than two years of extensive permitting and approvals, the property offers a rare opportunity for the next owner. On the upside, this home represents both a meaningful legacy and significant long-term equity potential in one of Coral Gables' most desirable neighborhoods. The property has been reviewed by the Coral Gables Historic Board and Architectural Board and the new owner can hit the ground running with a proposed two-story, four-bedroom home in the process with the City of Coral Gables. The property is a complete rebuild project. **Pictures shown are the architect's rendering.
