ABOUT THIS PROPERTY

One of only a handful of residences in the building with an extended wraparound balcony and the only one currently in the tower. This beautifully curated 2-bedroom + den, 3-bath residence on the 34th floor has been thoughtfully upgraded the moment you walk in. The result is a home that feels designed, not dressed. The wraparound balcony delivers panoramic views that simply doesn't exist elsewhere in the building at this price point. Whether you're having morning coffee or entertaining guests, the wraparound balcony opens up living and dining areas with natural light. The kitchen features Sub-Zero and Bosch appliances, complemented by a split-bedroom layout and a private elevator access opens to your own foyer. Paramount Miami Worldcenter delivers an amenity collection unmatched in the city, including a theater, co-working spaces, 24-hour concierge and valet. Steps from Brightline, Kaseya Center, and the best of Downtown Miami.
