## ABOUT THIS PROPERTY

---

Completely renovated in 2019, this beautifully landscaped full acre lot is set back from a quiet, tree line street surrounding the property. The home features five spacious bedrooms. Considered to have two primary bedrooms, the home includes a master bedroom with a walk-in closet and a private bathroom. Every detail of the renovation was thoughtfully completed, including a new bedroom, impact glass windows and doors, a new kitchen with a coffee system, steam oven, speed oven, conventional oven, cooling drawers, paneled refrigerator, and two dishwashers. The home also includes hardwood floors, immaculate garage with epoxy flooring and a long driveway providing ample parking. This is a rare opportunity to own a fully renovated estate.
